

CERTIFICATE OF CONSTANCY OF PERFORMANCE 1299 - CPR - 0172

In compliance with Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), this certificate applies to the construction product

Underground fire hydrant, Type DN 80, PN 16; DN 100, PN 16

assigned for installing into outdoor water pipes for water supply assigned for fire extinguishing including water assigned for human consumption under condition, that used materials including lubricants coming into contact with water for human consumption, shall comply with the National Regulations in the country of use,

placed on the market under the name of

**ROWATER NET S.A., Brailei str., No. 15 C1
120118 Buzau, Romania**

and produced in the manufacturing plant

**ROWATER NET S.A., Brailei str., No. 15 C1
120118 Buzau, Romania**

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the standard

EN 14 339: 2005

under system 1 for the performance set out in this certificate are applied and that the factory production control conducted by the manufacturer is assessed to ensure the

constancy of performance of the construction product.

This certificate was first issued on March 28th, 2017 and will remain valid as long as neither the harmonised standard, the construction product, the AVCP methods nor the manufacturing conditions in the plant are modified significantly, unless suspended or withdrawn by the notified product certification body.

The certificate shall be supported through annual continuous surveillance and reissued after each surveillance. This certificate shall be reissued not later than March 27th, 2019. A new issue of the certificate is conditioned by positive results of the surveillance.
